

Leon M. Lederman Physics Award 2017

The Leon Lederman Physics Award 2017 was coordinated by **Dr. Alejandro Gutiérrez Rodríguez** and **Dr. Felipe Puch Ceballos** from the Academic Unit of Physics at the Autonomous University of Zacatecas. The examination was done by four jury members:

- **Dr. Jesús Madrigal Melchor**, Universidad Autónoma de Zacatecas.
- **Dr. Alejandro González Sánchez**, Universidad Autónoma de Zacatecas.
- **Dr. Tonatiuh Saucedo Anaya**, Universidad Autónoma de Zacatecas.
- **M. en C. Juan Manuel Rivera Juárez**, Universidad Autónoma de Zacatecas.

Seven students from six different institutions presented their applications and six of them full filled the requirements. After very careful consideration of all the applications six participants were interviewed on December 9th, 2016. The Leon M. Lederman Physics Award 2017 has been awarded to:

- **Diana León Silverio, Benemérita Universidad Autónoma de Puebla.**

The second place was assigned to:

- **Everardo Granados Vázquez**, Universidad de Guanajuato.
